

## 1997-2004 C5/Z06/50th Billet Exhaust Plate

---

**Step One:** Clean surface with alcohol. NOTE: For Z06/405hp exhaust plates, use soap and water only to clean. Do not use any harsh chemicals. Let surface dry completely.

**Step Two:** Peel backing from double stick tape on the back side of exhaust plate.

**Step Three:** Align exhaust plate with bottom surface and press FIRMLY.
